

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Score

Yarding 450  
 Change -706

report date 24/09/2019

comparison date 17/09/2019

Rainfall recorded throughout the supply area caused numbers to decrease for a small offering of mixed quality cattle. The majority were younger cattle, with the bulk suitable for the restocker and feeder orders, while there were percentages of prime conditioned pens suitable for the butchers also in the offering. Cows were well supplied, with approximately 160 head in the penning. The usual orders competed in a variable market.

The over 200kg vealer steers to the restockers eased 20c, making from 170c to 238c/kg. The same weight heifer portion also to the restockers and backgrounders gained 10c and sold from 190c to 238c/kg. Yearling steers to the lot feeders and restockers eased 12c/kg, however the better finished drafts to the feeders remained firm. The yearling heifers sold from 188c to 214c/kg. The prime conditioned younger cattle to the butchers sold at a premium, making to 336c/kg.

The older heifers remained firm, selling from 228c to 260c/kg. Cows trended cheaper, with the plainer pens easing 7c, as the better finished drafts were 15c/kg cheaper. The D2 cows made from 180c to 212c, with the well-conditioned 3 and 4 fat score heavy weights selling from 202c to 246c/kg. The best heavy weight bull sold to 260c/kg.
