

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Singleton

report date 25/09/2019

Yarding 601
 Change 140

comparison date 18/09/2019

Consignments lifted and the quality remained mixed. There were high yielding prime conditioned younger cattle, suitable for the butchers, along with the very plain lighter weights purchased by the restockers in the penning. Approximately 50 cows were penned and these sold to a cheaper trend.

The over 200kg vealers to the restockers decreased 8c to 15c, with the steers making from 160c to 234c, as the heifer portion sold from 120c to 220c/kg. The yearlings were mainly lighter in weight, with the steers ranging from 174c to 274c/kg, with the lot feeders securing the heavier end. The yearling heifers to the feeders made from 176c to 248c/kg. The prime conditioned younger cattle to the butchers struggled to remain firm, with the lower yielding pens contributing to the cheaper trends, while the high yielding drafts sold well. The best reached 358c/kg.

Cows trended cheaper by 8c, with the plainer 2 scores making from 184c to 194c, while the better covered heavy weights made from 205c to 218c/kg.
